No Remuneration

You acknowledge and agree that you are granting all rights set out in these Rules to SAIT on a fully-paid-up and royalty-free basis, that you will receive no further financial or other remuneration, and that SAIT may exercise all of its rights set out in these Rules without providing any further financial or other remuneration to you.

Skill-Testing Requirement

To be eligible to receive a prize, you must answer the following skill-testing question: 25 multiplied by 4, plus 18 divided by 3, minus 7 [(25 × 4) + (18 ÷ 3) – 7].

Prizes

There are a total of (4) prizes to be won: one (1) $500 VISA gift card, and three (3) $150 gift cards to a SAIT alumni-owned business of the winners' choice from a list provided by the SAIT Alumni team.

Odds of Winning

The odds of winning one of the four prizes depends on the number of entries received during the Contest Period.

Prize Redemption

The names of winners will be announced on SAIT Alumni's Instagram page. The prize winners will also be notified by direct message, telephone and/or e-mail immediately after the random draw and must provide their contact information (mailing address, preferred email address and telephone number) in order to receive their prize.

SAIT may either courier, post or email the prize to the Prize winners, in its sole and absolute discretion. If the winner does not provide their contact information or does not respond to SAIT when contacted within three (3) business days or does not meet the criteria contained in these Rules, then the prize shall lapse.

Acceptance of Prize

Prizes must be accepted as awarded and cannot be exchanged for cash or for other goods and services. The award of each prize is random. Winners must provide proof of identification and may be required to provide proof of graduation from SAIT prior to receiving their prize. SAIT may disqualify a winner if SAIT determines, in its sole discretion, that such proof of identification or graduation is insufficient. If the identity of the winner is disputed, another entrant will be randomly selected from the remaining eligible entries.
