

SAIT Wire Transfer Information

You can make a wire transfer to the account listed below. **Please make sure you write your full name and SAIT ID Number in the comments section of the deposit.** You will need to add \$50 to the transfer total to cover bank fees.

When you have made the deposit, you must email us (international@sait.ca) a copy of the remittance slip to confirm the transfer. This will make it easier for us to apply the funds to your account when they arrive.

Please note that processing of an international wire transfer can take 7-10 business days. You must allow enough time for the transfer to be received before your payment deadline.
