

Business Administration - Financial Services Major

SCHOOL OF BUSINESS

Overview

Our two-year Business Administration diploma with a Financial Services major is designed to prepare you for a successful career in the dynamic financial services industry. It equips you with the skills and knowledge required to excel in financial planning, investment advising, insurance, trust management or compliance.

This program positions you to provide helpful financial guidance and services to individuals and organizations.

When you've completed this program, you'll be able to:

- understand the Canadian financial system with a deep understanding of its components, regulations, and operations
- grasp the latest developments and trends in the financial services industry
- apply effective relationship-selling principles to build trust and provide tailored financial solutions
- assess clients' financial needs and identify appropriate mechanisms to fulfill those needs
- interpret and use financial concepts, theories, and tools. Use your strong presentation skills to communicate your financial findings
- apply personal financial planning concepts to help individuals and businesses make informed financial decisions
- create comprehensive financial plans that align with your client's goals and objectives.

As part of this program, you can prepare for the Investment Funds in Canada (IFIC) exam.

Traits, skills and aptitudes

Those working in the financial sector tend to be methodical, social, innovative and directive.

You need:

- an aptitude for numbers
- respect for confidentiality
- strong listening and communication skills
- the ability to understand complex financial documents, such as insurance policies, pension plans, financial statements and tax regulations
- coping skills to deal with rapid changes
- quick decision-making skills
- an interest and willingness to keep their knowledge up to date.

You should enjoy gathering and analyzing information, finding innovative solutions to problems and working with people.

Academic path

The opportunity to advance your education by transferring into this program or gain credit for previous postsecondary courses may be available.

Graduates of this program with a minimum 2.3 cumulative GPA (67% or C+) may be eligible to enter the Bachelor of Business Administration and earn their degree with an additional two years of study.

Our degree includes more advanced finance courses that provide an opportunity to complete the Canadian Securities Course (CSC) and the Canadian Securities Courses that lead toward the Personal Financial Planning (PFP) designation.

Learn more about [program and institution transfer options](#).

Professional designations and certifications

You'll have the opportunity to complete the Investment Funds in Canada (IFIC) mutual funds licensing exam through the Canadian Securities Institute. If you pass the exam, you'll be qualified to apply for registration with the provincial securities regulator to sell

mutual funds.

The Financial Planning Standards Council recognizes this program as meeting the core and advanced curriculum requirements for the Certified Financial Planner (CFP) certification (QAFP) and Canadian Institute of Financial Planners Registered Retirement Consultant (RRC) designation.

Credentials

Upon successful completion of this program, you'll receive a SAIT Business Administration diploma with a major in Financial Services.

Practicum, Co-op and Work Integrated Learning

You'll have the option to participate in an integrative experience capstone project in your final semester.

If you choose a capstone project, you'll work collaboratively with students from other majors to address a challenge faced by a local business or organization. You'll work together as a team to investigate and analyze the challenge or problem before presenting a solution to company representatives.

Admission requirements

Applicants educated in Canada

All applicants must demonstrate [English language proficiency](#) and meet the following requirements or equivalents.

- at least 50% in Math 30-1 or Math 30-2 AND
