

Graphic Communications and Print Technology

Establish a career in the area of digital graphics — working for commercial printers or publishing companies, advertising agencies or graphic arts firms — with courses that include web and print production, layout and visual design.

If you've ever picked up a print publication, visited a website, admired a logo or looked at an advertisement, then you are already familiar with some of the end products of the digital graphics industry.

The Graphic Communications and Print Technology program is designed to prepare you for a career in these exciting fields. You will acquire industry-specific skills in electronic file management, print management and production, print administration, estimating, printing service coordination that ensure your success in the industry.

Credential

After successfully completing this program, graduates will receive a SAIT diploma in Graphic Communications and Print Technology.

Admission and Selection

Admission dates

Applications are accepted until the program start date but are subject to change.

- **Fall 2022 start:** applications are accepted from Oct. 6, 2021.

Program requirements

- At least 50% in English Language Arts 30-1 or English Language Arts 30-2 or equivalent.

All applicants must demonstrate [English Language Proficiency](#) prior to admission, including students educated in Canada.
