

Land Analyst

Train to work within the oil and gas industry by coordinating and acting as a liaison between corporations, landowners, regulators and government departments.

The Land Analyst certificate is an online 10-course credit program that provides graduates with hands-on skills in surface land administration.

Credentials

After successfully completing this program, graduates will receive a SAIT Land Analyst certificate.

Admission requirements

Program requirements

- 50% or better in English Language Arts 30-1 or 30-2
- 50% or better in Math 20-1 or Math 20-2

All applicants must demonstrate [English language proficiency](#) prior to admission, including students educated in Canada.

SAIT accepts [high school course equivalents](#) for admission. If you don't meet the requirements, consider [Academic Upgrading](#).

SAIT evaluates international documents for admissions. After you've applied, consider our [international document assessment](#) service if your education is from outside of Canada. SAIT may also accept courses completed at certain [international post-secondary institutions](#).

When should you apply?

Visit our [Apply page](#) to see when applications open and close for upcoming semesters.

To see which semesters this program has intakes for, look at the Available Intakes information at the top of this page.

[See when we start and stop accepting applications](#)

Direct entry: four-step process

Step 1: Read the program information to see the qualities needed for student success.

Step 2: Ensure that you meet all of the admission requirements listed above.

Step 3: [Apply to the program](#) and [submit your transcripts](#).

Admission will be extended on a first-qualified, first-offered basis until the program is full.

Step 4: Continue to monitor your [application status](#) through [mySAIT.ca](#).

You must [submit final transcripts/grades](#) to show you have completed the courses and met the minimum admission requirements by the transcript deadline or your seat will be rescinded.

Communication during admission

Email is the primary source of communication during the selection process. Ensure your personal email account is managed appropriately to receive our emails, files and communications. We recommend you add the macphail.students@sait.ca domain to your

safe senders' list or you risk missing critical email messages.

When do classes start?

Classes for this program adhere to the following year start and end dates based on the semester the student begins their program.

Classes begin	Year start date	Year end date
Fall 2022	Sept. 6, 2022	April 28, 2023
Fall 2023	Sept. 5, 2023	April 26, 2024

Costs 2023/24

Tuition and fees

The following costs are effective as of July 1, 2023. They are an **estimate** of tuition and fees based on the recommended course load per year. *

Domestic students

Year	Number of semesters	Tuition fees	SAIT fees	Saitsa fees	Total
1	2	\$5,730	\$948	\$622	\$7,300

International students

Year	Number of semesters	Tuition fees	SAIT fees	Saitsa fees	Total
1	2	\$7,740	\$948	\$622	\$9,310

*For a detailed breakdown of tuition costs per course, visit the [domestic](#) and [international](#) fee tables.

This program is eligible for [Canada Alberta Job Grant](#) funding.

Fees

Your fees are calculated based on the number of course credits you take per semester (approximately 16 weeks of study). In most cases, your fee is determined based on whether you're taking **more** or **less** than nine (9) course credits (more than nine credits in a semester are considered full-time studies.)

Fees are adjusted for programs with start dates outside of the typical 15-week program.
