Radio, Television and Broadcast News - Radio Major

SCHOOL FOR ADVANCED DIGITAL TECHNOLOGY

Overview

Are you ready to make waves in radio broadcasting, podcast production, voice acting and more? The Radio major within the Radio, Television, and Broadcast News program at SAIT is your ticket to an exciting career in audio entertainment and communication.

At SAIT, we understand the power of the spoken word and the art of audio storytelling. Our Radio major offers an exceptional learning experience that combines classroom instruction with hands-on training and real-world exposure.

You'll get hands-on experience by hitting the airwaves on SAIT's campus radio station, saitradio.com. Whether you dream of being a radio personality, newscaster, DJ or podcast host, you'll have the chance to hone your skills in a real broadcasting environment.

Build advanced audio production experience by learning the art and science of audio production with our facilities and equipment. Learn advanced multi-track digital audio production techniques, ensuring you have the technical skills to create high-quality content that stands out in today's competitive media landscape.

Craft compelling stories that capture your audience's attention. Our program provides extensive training in creative writing, helping you develop the ability to script engaging and entertaining radio segments, podcasts and other audio content.

Finally, develop an understanding of the importance of marketing and promotion in the media industry. Gain valuable insights into promotional planning and execution to effectively connect with your target audience and build a loyal following.

Take it from our graduates

Our radio broadcasting program has a record of producing successful graduates who make their mark in Calgary, Canada, and even on the international stage.

Many of our graduates are radio personalities and DJs, hosting their own shows and engaging audiences. Some work behind the scenes as producers or writers, contributing to and shaping stories. Others have discovered opportunities as voice actors for animation, videos or commercials.

Our alumni network includes individuals who have achieved remarkable success, such as the SAIT radio grad who became the imaging director and head sound designer for Howard Stern's stations on Sirius XM.

This program involves two years of full-time study, along with an industry practicum in your fourth semester.

Are you ready to be the next voice that captivates the airwaves? SAIT's Radio major within the Radio, Television, and Broadcast News program is your gateway to a rewarding and dynamic career.
