

Radio, Television and Broadcast News - Television Major

SCHOOL FOR ADVANCED DIGITAL TECHNOLOGY

Overview

Are you the kind of person who constantly finds themselves immersed in YouTube videos, binge-watching TV shows, or creating captivating content for social media? If so, the Television major within the Radio, Television, and Broadcast News program is the perfect path for you to turn your passion for visual storytelling into a rewarding and exciting career.

This program helps you harness the power of storytelling through television and digital media and prepares you for a dynamic and ever-evolving media landscape.

If you are passionate about storytelling and creating engaging content, this program will give you the tools and knowledge to craft compelling narratives that captivate audiences.

In this program, you will:

- get hands-on experience in simulated real-world production and broadcasting environments, including single-camera or multi-camera setups
- learn all facets of television production, including the fundamentals of producing, directing, editing, and shooting
- explore a diverse range of projects, including drama, music videos, and documentaries
- work collaboratively in teams to produce sports, Esports, news, and talk programs, gaining invaluable teamwork and leadership skills
- prepare to work with broadcast-quality equipment that includes HD cameras, stabilizers (Steadicam, Dolly, Jib Arm), switchers, digital audio consoles, graphics systems, servers, and computer-based editing systems.

Our Television major is a launch pad for many exciting career opportunities. You'll have the fundamentals to become a producer, director, or editor for television shows, films, documentaries, or news programs.

Pursue a career in news reporting, journalism, or investigative reporting, or explore roles in media management, including content curation, scheduling, and programming for television networks and digital platforms.

Or, use your skills to create engaging content for social media platforms, streaming services, and online channels or enter the thrilling world of sports and Esports broadcasting, covering live events and providing commentary.

This program involves two years of full-time study, along with an industry practicum in your fourth semester.

If you're ready to turn your passion for visual storytelling into a successful and fulfilling career, this program is your gateway to media and entertainment.
