Lost or Damaged Meal Cards

The security of an eCARD remains the cardholder's responsibility. If an eCARD is lost or stolen, the cardholder is responsible for all charges made to that card until the card is reported lost or stolen. Should you find your eCARD after reporting it lost, contact the Card Office for assistance in reactivating your card. If your card remains lost, email the Card Office for a replacement card. Replacement card fees may apply.

Restrictions on Meal Card Usage

The Begin Tower Dining Centre offers limited capacity and meal plans are not guaranteed until payment has been received. Meals may be purchased only by, and used by, the meal plan holder. Meal plans do not allow guest entry with the meal plan holder. Meal plan are all-you-care-to-eat within operational hours. For each transaction the cashier will examine the photo on the eCARD to ensure that the person making the purchase is the eCARD cardholder. In all cases where the cashier suspects that someone is using an eCARD other than the cardholder, the cashier must keep the eCARD and prevent its use. Meal plans are non-transferrable.

Termination of Meal Plan

Meal plans are non-refundable unless the student completely withdraws from SAIT. The refund will be issued at a prorated amount. Refunds will be prorated based on the number of days remaining in the plan that the student paid for. Meal plans are non-transferable and expires the day after the move-out day. A refund will be processed and sent to your address on file with Residence, which should match your student profile with the Office of the Registrar. Your meal plan access will then be deactivated by the Card Office. It is the student's responsibility to ensure that their student profile is up-to-date with their most recent information.
