
1. **The campus Health Clinic has permanently closed.** New patients are no longer being accepted. Information for existing patients, finding a primary care doctor and accessing medical records is available from the Health Clinic closure bulletin below.
2. Campus Security can arrange transportation by taxi cab to an urgent care or walk-in clinic. More information on illnesses or injuries including temporary accommodation and WCB reporting is available on SAIT.ca. All incidents must be reported to Environmental Health and Safety.
