

Indigenous Pathways Program

Program Overview

The Indigenous Pathways Program offers a series of courses and experiences that will ease your transition into further study at SAIT or other post-secondary schools. This 3-semester, 12-month program begins at the Grade 9 level and ends with your completion of Grade 11 and 12 courses.

In this program, you will experience a blend of academic courses, cultural activities and post-secondary readiness sessions in a welcoming and supportive environment. You will engage with a group of like-minded Indigenous learners who share your commitment to pursuing a post-secondary education and a new career.

Our program team partners with you to support your academic, cultural and personal success. From program registration and funding applications to connecting you with services and supports, we will walk alongside you throughout your learning journey.

Program Length and Commitment

The program runs from September 3, 2024 to August 15, 2025 (45 weeks). Learners must be able to commit to and **attend** 20 hours of classes each week.

Admission Requirements

You are eligible for this program if you:
