

2026 ALBERTA CORRIDOR TECHNICAL SYMPOSIUM SPONSORSHIP PACKAGE

SAIT's Irene Lewis Atrium | Sept. 17, 2026 | 8:30 am – 5:30 pm

ALBERTA CORRIDOR TECHNICAL SYMPOSIUM

We are delighted to welcome you to our highly anticipated one-day event presented by the Alberta Corridor Technical Committee. This symposium embodies the spirit of collaboration and innovation as we bring together three of Alberta's leading polytechnic colleges: Northern Alberta Institute of Technology (NAIT), Red Deer Polytechnic (RDP), and the Southern Alberta Institute of Technology (SAIT).

Our aim is to showcase the incredible work of researchers from NAIT, RDP, and SAIT who are actively engaged in cutting-edge industry-based projects. These projects are geared towards creating innovative solutions and fostering new opportunities for Alberta's growth and prosperity. Whether you are an industry professional, an academic, a student, or a community leader, this event offers a unique platform to network, learn, and be inspired. Together, let us embark on a journey of discovery, innovation, and transformation for the benefit of Alberta's economy and society.

To ensure all benefits are fulfilled, please confirm your sponsorship by August 17, 2026.

SPONSORSHIP OPPORTUNITIES

Gold Sponsor – \$5,000 (two available)

- Exclusive speaking opportunity
- Verbal recognition as appropriate sponsor level from the event emcee
- Option to provide prizes and announce the student poster award
