

Empowering Black Excellence

Calgary Black Chambers

WHAT WE DO

In 2019, Black professionals decided it was time to elevate and connect the Black people of Calgary. We help Black culture in Calgary flourish through supporting the next generation of Black students and providing a unified voice for Black people.

OUR SERVICES

Our mission is to serve as mentors and advocates, fostering the growth of motivated students and future professionals.

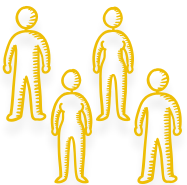

Scholarship

Elevating Black students through education, recognition and financial support. We work with corporations, small businesses, nonprofits and charities to establish scholarships to assist our best students.

Mentorship

Building confidence in students through experience, knowledge and guidance. Our mentorship program focuses on one on one mentoring with a working professional alongside volunteering and a soft skills course to prepare the next generation to become Leaders.

Fellowship

A safe space for Black students and professionals to communicate, connect and collaborate. Uniting Black groups in Calgary builds a more cohesive community, enabling the achievement of our joint goals, objectives and plans.

Advocacy

Creating career, education and social advancement opportunities for Black People. Our Advocacy committee works with HR professionals, charities, nonprofits and government officials to ensure the safety and prosperity of Black Canadians.

13% Black unemployment in Calgary, 5% higher than the average

Only 60% of Black students believe they can get a University degree
