NUCLEAR MEDICINE TECHNOLOGY DRESS CODE

As an NMT student you will be required to wear a uniform for lab or practicum components for the duration of the program. It is known that healthcare team members communicate by their behaviour and attire, their dignity and pride in themselves and their work. An image of professionalism is expected to be projected at all times.

The following dress code applies to all SAIT NMT labs and practicum rotations:

Uniforms:

- Uniform appropriate for a healthcare worker ('scrubs')
- White lab coat (full-length sleeves and **at least mid-thigh length**)
- All attire must be clean, neat, in good repair and well pressed
- Hoodies, polar fleece vest or jackets, sweatshirts, or knitted sweaters are prohibited
- No ball hats or stocking caps

Shoes:

- Conservative footwear
- Shoes must be of the closed toe and closed heel style
- Shoes and laces are to be clean and in good repair
- For hygienic reasons, work shoes must only be worn in the clinical setting
