

# Orientation

Let's go>> What's next

## Your first day is just around the corner – are you ready?!

**Check your list** There's a checklist of everything you might need to do or know to get started at SAIT. Track your items and see what's next.

 [Learn more about next steps](#)

**Get a peer mentor** We could all use some advice from someone who's done it all before. Sign up for a helping hand to navigate your first semester.

**What's next**

Next Steps

## What's next (continued)

### **PREP 100 – The SAIT Experience**

Get tips and insider information on time management, exam preparation, effective notetaking and more through this free, short course for new students. Course completion is recommended.

### **ETHI 110 – SAIT Ethical Practices**

Learn about SAIT's Student Code of Conduct, what it means for your SAIT experiences and understand the consequences of unethical behaviour. Course completion is mandatory.

***All new students are automatically registered for both courses. PREP 100 and ETHI 110 are available through Brightspace (D2L) beginning the first day of class.***

Next Steps

## What's next

**Connect with community** Yes, student life is moving online for the time being but there are still lots of ways to get involved and feel connected.

Check these out:
