

## Proctoring/Testing Service Provider Recommendations (Canada)

Looking for a proctoring/testing service provider near you to write your SAIT Distance Education exam(s)? Here is a list of some of the service providers commonly used by our online learners in Alberta, British Columbia, Manitoba and Saskatchewan. These providers are not affiliated with SAIT.

Once you have selected a service provider:

1. Contact the provider to schedule the day and time of your exam.
2. Book your exam request using our [SAIT online exam booking request form](#).

Note that any proctoring service fees as well as any mail/courier costs (to return completed paper-based exams to SAIT) are your responsibility.

If you are unable to find a suitable proctoring site, contact the Distance Education office at 1.888.284.7051 or [distance.exam@sait.ca](mailto:distance.exam@sait.ca) to make alternate arrangements. If your exam is fully online (not paper-based), we strongly recommend the real-time online proctoring services of our partner, [ProctorU](#), available 24 hours/day, 7 days/week, 365 days/year.
