## FAQ

### **What are SAIT Online Summer Camp sessions?**

Online camps are an alternative delivery method to our traditional in-person Summer Camps. Using Zoom, we will host live-stream sessions that your child can easily complete from home!

### **How does it work?**

There are 3 different camp bundles based on grade level (Gr. 1-2, Gr. 3-6, and Gr. 7-12). Each bundle consists of unique sessions including science experiments, math literacy activities, featured guest speakers, and much more!

Register your child in the grade they will be going into in Fall 2020.

Once registered, we will send you a Zoom invitation. Once you receive this invitation, your child will have complete access to scheduled sessions included in their grade range bundle for the duration of the summer (until August 31<sup>st</sup>).
